Re: Response to Notice to File Missing Parts (10/29/03)

Request To Cancel All Claims

Commissioner:

In response to the Notice to File Missing Parts and the additional fee for multiple dependent claims, I would like to delete all claims filed in the original application and replace them with the claims (attached) that do not include any multiple dependent claims and therefore avoids the fee requested in the Notice to File Missing Parts per 37 CFR 1.75c.

Thank You,

Jeffrey A. Travis
